

April 27, 2021

Effective Monday May 3, 2021 we will be permitting **spectators at practices** with the following restrictions and policies:

Spectators are permitted into the GAC for practices in the grandstand seating area only. *No spectators will be permitted inside the training pool*.*

Spectators must:

- Wear a mask that covers the nose and mouth (everyone over the age of five) at all times.
- Enter at the practice start time and not before.
- Enter at the training pool doors and sign in.
- Proceed directly to the grandstands.
- Sit (only) in the seats marked “please sit here”.
- Remain seated unless entering or exiting the building or going to use the restroom
- Maintain 6’ social distance when moving throughout the building.
- Sign out and exit at the practice ending time.
- Do not wait inside after practice. **Meet your participant in the outside courtyard.**
- Acknowledge and agree to abide by ALL of the above policies.

** We have several external viewing areas for the training pool and we are looking into adding a camera overhead so that we can provide a complimentary live stream of practice in this pool.*

*** Limit two spectators per participant.*

*** Food and beverages are not permitted in the GAC by spectators*
