

Swim Lesson Parents and Guardians,

This is a friendly reminder that swim lessons will be starting this week. In preparation of lessons, please be sure to take the time to look over the GAC policies and procedures on our [website](#). Failure to follow these policies will result in denied access to your lesson that day. We ask everyone participating in swim lessons please wear appropriate swim attire for your lesson. We require you to complete the questionnaire upon check-in and sign in each day in the designated blue binder at the front desk.

All swim lesson participants will be entering through the [front lobby](#). Observers will be seated in the mezzanine if lessons are at the recreation pool and at the grand stands if lessons are in the competition pool. If lessons are in the training pool, there are no seats on deck for observers, we do ask that parents watch from the outside windows.

****Restricted registration****times are reserved for those currently enrolled in lessons. The last week of every group lesson session, participants will be able to register early only with their assessment card. Once you have received your assessment card, you may register **in person only** for the next session before they open to the remainder of the community. This does not restrict those that are currently enrolled in lessons from registering during regular registration.

Please contact John at john.rife@greensboro-nc.gov if you have any questions or concerns.

Thank you,

GAC Front Desk
