What are Adaptive Lessons?

Adaptive swim lessons use Applied Behavior Analytic strategies to teach children with special needs. Lessons are created for, but not limited to, those with behavioral, communication, or sensory challenges. Instruction emphasizes adapted teaching strategies to accommodate individual abilities, needs, and goals. Ages 3-99+.

Lesson Structure and Pricing

Adaptive lessons are generally in (4) or (6) class sessions based on facility availability. Lessons are \$10 per lesson and participants must commit to the entire session.

Online Registration

Register online at <https://services.greensboroaquaticcenter.com/> You will need to create an account and sign up for the session that best suits your schedule.
