**PLEASE consider HELPING & MAKE A BIG IMPACT ON THE LIVES OF CHILDREN FOR THEIR HEALTH AND SAFETY...For the love of Aquatics**

The GAC Community outreach provides Second graders with the opportunity to learn lifesaving and swim skills during the school day. To date, 10,330 Second graders at Thirty-Five (35) schools have participated in this life changing LTS program. Our goal is to provide these lessons for all 69 Elementary school second graders throughout Gilford County Public Schools annually.
